
What the hell is happening?

Posted by james23 - 2007/07/06 00:01

Seriously here people, the team is looking weak. There was a swagger and a passion that was there last year? This better not be one of those first to worst type deals in the space of a year, otherwise, my season tickets are done...

Giving up on season tickets because of a slow start That makes you a true winning fan not a bc lions fan.
